# Siva Priya T

Software Developer

sivapriyaram777@gmail.com  |  +91 7094427042  |  www.linkedin.com/in/siva-priya-t

## PROFILE SUMMARY

- Solution-driven Software Developer with **2+** years of experience designing and delivering high-performance, scalable web applications using **PHP (Laravel), Angular, and RESTful APIs.**
- Adept at both front-end and back-end development, with a strong foundation in MVC architecture, state management, and modern JavaScript frameworks.
- Proven track record of optimizing user experience, system performance, and driving efficiency through automation and modular code practices.

## TECHNICAL SKILLS

**Languages:** PHP, JavaScript, TypeScript, HTML, CSS, jQuery, Python

**Frontend:** Angular (15–19), Bootstrap, Angular Material, RxJS, NGRX, AJAX

**Backend:** Laravel (Blade, Eloquent, MVC), Node.js, Express.js, RESTful APIs

**CMS & Tools:** WordPress, Elementor, Polylang, Git, Postman

**Databases:** MySQL, PostgreSQL, MongoDB

**Others:** MVC Architecture, API Development, Authentication, Web Scraping (Selenium, DrissionPage), Automation

## WORK EXPERIENCE

### Ecesis Technologies                                      Oct 2022 - Current

Junior Software Engineer

- Developed and maintained scalable **Angular** applications, improving code modularity and reusability by 25%.
- Implemented state management using NGRX and handled asynchronous data streams using RxJS.
- Built RESTful backends using **Laravel and AJAX**, optimizing performance and reducing page reloads by 20%.
- Utilized Laravel Blade templating engine for dynamic and reusable front-end views.
- Designed and integrated secure APIs to connect Angular front-end with **FastAPI and Node.js** backends.
- Led frontend implementation using **HTML, CSS, and jQuery** to ensure cross-browser and mobile responsiveness.
- Developed full-stack ENC visualization tool using Angular, Node.js, MongoDB, and MapServer SMAC-M.
- Delivered **7+** client-focused WordPress projects with custom themes and plugin development, achieving a 30% SEO boost.
- Automated BPO workflows using **Python** and web scraping, improving operational efficiency from 56% to 92%.

## EDUCATION

**M.E Computer Science and Engineering (87%)**

Rohini College of Engineering and Technology, Kanyakumari | 2022-2024

**B.E Computer Science and Engineering (89%)**

University College of Engineering, Nagercoil | 2018-2022

## SOFT SKILLS

- Passion for learning and growth
- Teamwork and collaboration
- Adaptability and Continuous learning

## LANGUAGES

- English - Fluent
- Tamil - Fluent
